MATRIMONIAL.

CARTER-ROBEY.—Mr. J. L. Carter and Miss May Robey, both of Lafayette, were married in Clarksville last Friday afternoon.

FORDTAW—SUMMERS.—At noon today, at the Methodist church in Cadiz, Miss Mary Summers, the pretty and accomplished daughter of Mr. J. E. Summers, and Mr. C. G. Fordtaw, a young merchant of Galveston, Tex., will be united in marriage. Of the event the Telephone has this to say: "Some three years ago, while attending college at Galveston, Miss Mary met this young gentleman, and the mutual affinity between them ripened and developed into ties that will bind two hearts with the silver bands of love and wedded life. No twain have more friends than they, and elaborate preparations will be perfected to fittingly celebrate this most auspicious event. Some five hundred invitations have been issued and sent out to the respective relatives and friends of the bride and groom-elect."

THE SUMMER SEASON NOW ON

Cerulean Springs Open for Visitors and the Date of the First Annual Ball Announced.

An Italian Band Will Furnish Music.

S. W. Gunn & Co., proprietors of Cerulean Springs, Trigg county, Ky., insert an ad. in this issue, and the attention of invalids as well as pleasure seekers is called to same. Of Cerulean, the famous health and pleasure resort, it is necessary to say but little here, as its reputation abroad is excellent, and justly so, and no watering place in Western Kentucky stands higher in the estimation of the knowing.

The proprietors take great pains to see that their guests are royally entertained and the bill of fare will compare favorably with that of Saratoga, or the White Sulphur in West Virginia. The hotel accommodations are first class, the building being large, well ventilated, situated on a very high point, and is capable of accommodating several hundred guests.

Cerulean's railroad facilities are excellent. Six trains pass daily and at most convenient hours, making connection at Princeton with the C. & O. S. W., and in this city with the O. & N. The season of '94 is now open and the spacious hotel is ready for the reception of guests. The opening ball will occur on the evening of the 22nd inst., on which occasion a large number from this city will be present.

An excellent Italian string band will be on hand at the opening ball to furnish music and will be retained throughout the season. The present season promises to be the most successful one enjoyed for years and in anticipation of such increased business the management has made much expensive improvement of the grounds, etc., in various ways.

Limits of Employers' Liability.

An employee of the Buffalo Car company was injured four years ago by the breaking of a belt on a planer, one eye being destroyed. He sued for damages in the Supreme court before Judge Childs in 1890, and the case was dismissed without the defense being heard. A new trial was granted by the General Term. This was held before Justice Ward in 1902, and resulted in a verdict of \$2,000 for the injured man. The car company appealed and the judgment was sustained. The case was then carried to the Court of Appeals, which has just decided in favor of the car company. In the review of the case this statement was made:

"The master does not guarantee the safety of his servants. He is not bound to furnish them an absolutely safe place to work in, but is bound simply to use reasonable care and prudence in providing such a place. He is not bound to furnish the best known appliances, but only such as are reasonably fit and safe. He satisfies the requirements of the law if, in the selection of machinery and appliances, he uses that degree of care which a man of ordinary prudence would use, having regard to his own safety, if he were supplying them for his own personal use. It is culpable negligence which makes the master liable, not a mere accident."

CREAM OF NEWS.

Rain at Pilot Rock.

The vicinity of Pilot Rock and Fairview was visited by a fine rain Sunday afternoon. It was accompanied by wind and hail, but no damage was done.

Dropped Dead Saturday.

Minerva O'Brien, a colored woman employed as a nurse at Dr. S. A. Bradley's, on South Main street, dropped dead Saturday afternoon, while walking about the premises. She was quite old and subject to "bad spells." It is presumed she died of heart disease.

Mr. W. A. Lowry Robbed.

Burglars entered the residence of Mr. L. H. McKee Thursday night and robbed Mr. W. A. Lowry, who is boarding at Mr. McKee's, of his purse and gold watch. The purse contained \$12 or \$15 in money and the watch was a fine one and was highly prized, as it was formerly the property of Mr. Lowry's deceased wife. The thieves after rifling his clothes, left them on the front porch and departed leaving no clue to their identity.

Lang Bell's Saloon Robbed.

L. Bell's saloon was entered by burglars Sunday night and the iron safe blown open and robbed. It is not known how much money Mr. Bell lost, as he refuses to give any information as to the amount. It is supposed he had a considerable amount, as he was not in the habit of depositing regularly. The explosion also blew open a barrel of brandy near the safe, most of which leaked out. No clue to burglar has been discovered.

Fine Sales Last Week.

Our tobacco market opened quite strong last week, and all grades were considered a shade higher than the week before. Something near 300 hogheads were offered and nearly all were sold, there being but few rejections. Some of the tobacco sold were of very fine quality, in good order, and were taken in by the buyers readily. Wrappery leaf ranged as high as \$13, and many hogheads went off at prices from \$9 to \$12. Receipts last week were considerably in excess of those of the previous week, and will continue to improve. As a whole our market is quoted stronger on all grades, with an active demand for the finer goods.

Residence Burned.

The dwelling house of Judge J. C. Brasher, on the Fairview pike near the Asylum, was burned at 4 o'clock yesterday morning. The house is situated just outside the city limits, but the fire bell was rung vigorously and the department aroused. As it was a mile or more off, the frame house was totally destroyed before the department arrived. The loss was about \$1200 on house and contents. It was covered by \$700 insurance on the house and \$300 on contents. Judge Brasher recently lost his reason and is now in the Asylum. The house was occupied by his wife and children.

She Called a Halt.

Several days ago Mr. Sanford Bridges and Miss Emma Marlow, of the Tugleville neighborhood, attempted to elope to Dover, Tenn., to be married, but by the vigilance and timely interference of the mother of the prospective bride, the youthful lover was despoiled of his treasure and the nuptials were not consummated. They had started away in a buggy but Mrs. Marlow, by some means, got up with them, caught the horse by the bridle, succeeded in getting her daughter from the buggy and took her back home. A second attempt was made to get away, but the youthful mother too well understood the nature of infatuated youths to be deceived. So Sanford had to abandon his undertaking and nurse both his love and wrath.—Telephone.

Took His Own Life.

Mr. B. A. Wormald, non-in-law of Mrs. Fannie B. Henry, of this city, committed suicide at New Orleans last Thursday. He shot himself with a pistol and lived only a few minutes. He had recently suffered financial reverses and the loss of most of his large fortune weighed so much upon his mind that he decided to end his troubles by taking his life. He changed his clothing and left a letter stating that his body would be found already prepared for burial. He also mailed a letter to his wife, formerly Miss Maggie Henry, who was visiting her mother here, telling her that he would be dead when the letter was received. It came to hand after Mrs. Wormald had been notified by wire of his death.

Mr. Wormald was a native of Louisiana and until recently was quite wealthy. He leaves no children. The internment took place in Louisiana. Mrs. Wormald, who is an invalid, was unable to leave her home.

Killing at Bennettsown.

Jim Baynham and Henry Harris, two colored men at Bennettsown, had a fight Saturday afternoon, which resulted in the killing of Harris. They were both young unmarried men and were at the house of

on the fence when Harris came up and began slapping at him with a knife or razor. One cut was made on the shoulder and another on the arm when Baynham fell backwards over the low fence and received a cut on his leg still hanging over the fence. Harris then got on the fence to follow up his bloody work and as he climbed over, Baynham got out his pistol and shot Harris through the heart as he was standing over him. Baynham was not seriously cut and was brought to town yesterday to await the action of the grand jury now in session. Anderson & Allenworth have been retained to defend him.

Resolutions of Respect.

At a meeting of the Board of Directors of the Hopkinsville Hotel Co., held at the office of said Co., Friday, June 8th, 1894, present: H. C. Gant, President, E. P. Campbell, F. L. Ellis, A. H. Anderson and E. M. Plack. On motion E. M. Plack was appointed Sec'y pro tem.

The death of H. R. Little, Sec'y of the Hopkinsville Hotel Co., having been suggested, which occurred June 4th, 1894, the following resolutions were unanimously adopted:

RESOLVED—That by the death of H. R. Little, Sec'y of the Hopkinsville Hotel Co., this Board and said company have lost the services of a most faithful and efficient officer.

RESOLVED—That the Board offers this testimonial of their highest regard and respect to the memory of the deceased, and desire to bear witness to the value of his life and service as a citizen and public officer; faithful to every trust confided to his charge, liberal in all public enterprises, charitable, and whose honesty and integrity, as illustrated by his life work, is universally recognized.

E. M. PLACK, H. C. GANT, Sec'y pro tem. Pres.

The Public School Exercises.

Careful preparations are now being made for the approaching Commencement exercises of the Hopkinsville Public Schools.

The smallest pupils of the schools—whose work is always pleasing—will, under the skillful direction of Mrs. E. W. McKeezie and her assistant, Miss Lottie McDaniel, present an appropriate, entertaining, and instructive little exercise in which all will be interested.

The pupils of the 7th Grade will render a beautiful song, dear to the hearts of all Kentuckians. They are being trained by their efficient teacher, Miss Lida Donaldson. The older pupils are rehearsing daily the beautiful choruses with which they will charm the ears of the public on the evening of June 14th. They will be led by Ward's Orchestra, and the piano played by the accomplished musician, Miss Elizabeth Long, teacher of the 5th Grade. Great credit is due to Misses Mills and Arnold, the efficient High School teachers, for the careful, painstaking labor bestowed in training these choruses. Both being accomplished musicians, whose work is so well known, it is needless to say that their selections have been wisely made and will be rendered in a highly creditable manner.

The graduating class of 1894, consisting of twelve members, six young gentlemen, and the same number of young ladies, is the largest class yet sent forth from these schools. They are unusually bright, intelligent, capable young people who will doubtless in the future reflect great credit upon their Alma Mater.

Independent Republican Convention July 7th.

Brent's Shop, Union School House No. 1, May 29, 1894.

The voters of Brent's shop held a meeting of the voters of said district to discuss the importance of nominating an independent, Republican ticket for the various offices of Christian county, to be filled at the November election, 1894. Junius Southern was appointed Chairman, L. C. Davis Clerk. The Chairman arose and stated the object of the meeting, after which J. B. Hays arose and addressed the audience, saying "I have been a voter of the Republican ticket for quite a number of years, but yet I am not a free man, but I demand my rights and privileges of the party. But I see no chance for the Colored man to get his rights without an independent Republican ticket; every good thinking colored man should look to his own interest in time. I hope every good colored citizen of Christian county, who loves his race will take an active part in this grand cause. We have been voters of the Republican ticket for 26 years and yet not a single colored man has ever been honored with an office of any consequence. There are about 3,400 colored voters in Christian county and about 700 white voters who vote the Republican ticket. When a colored man is nominated not 50 of our white brethren will stand by us. On the other hand let a white Republican get the nomination and the cry is 'stand by your party.' We think this is one of the best opportunities to find out whether the white Republicans will support the negro for office in Christian county. Therefore we propose to meet at the Court House of Christian county on July 7, 1894, and nominate a full ticket for the various offices. We hope every precinct in the county will send us as many as 3 delegates. This is an important move and one that every colored man should take an interest in."
